

Intercessory Prayer Month of September 2009

Give thanks to the Lord for all the volunteers in every part of the church life who serve so faithfully.

Children's ministry—Need for more volunteer teachers and helpers to help out on Sunday morning during the sermon time.

House Church leaders—For wisdom in their important role in nurturing and discipling within their groups.

Team leaders in the various internal and external ministries—As they begin a new year of service, pray that they stay in God's will.

Children of families in crisis where there is divorce, **marriage crisis** or severe brokenness.

Adult education, Women's bible study, Core Values class—all are either going or just beginning. Pray for the teachers and those who will attend that true biblical, Holy Spirit anointing will take place.

The **Pastoral Staff**: Barry, Mike, Tony, Kevin and Macklann and the **elders and deacons** who serve so faithfully.

Pray for God's wisdom and direction as many are burdened for the possible ministry to young girls caught in the **sex slave trade industry**.

Pray for Otto Scott as he continues to direct the **Youth Ministry**, that he would have clear vision for the future and healthy, humble perspective on the present.

*Call to me and I will answer you and tell you great and unsearchable things you do not know.
